

Closet Edit Add-On

Resale and Consignment Service

What's Included

- Selection of resale-worthy items (based on brand, condition, and demand)
- Pricing strategy for each item
- Listing items on resale platforms (Poshmark and/or The RealReal)
- Managing inquiries, offers, and negotiations
- Shipping and fulfillment
- Tracking inventory and sales

Selling Process

- Items may be listed on Poshmark for a period of 2-3 weeks
- Higher-end items may be sent directly to The RealReal
- Unsold items after the selling window may be donated or returned to the client

Selection Criteria

Only items that meet resale standards will be accepted into this service. This typically includes recognizable brands, excellent condition, and items with an estimated resale value of \$50 or more. All other items will be recommended for donation.

Service Guidelines

- Only a curated selection of items will be accepted per client
 - A defined selling window will be established
 - Clear tracking of items and payouts will be maintained
 - Items not sold within the timeframe will be donated or returned
- This service allows clients to maximize the value of their wardrobe while keeping the process effortless and streamlined.

Pricing

This is a premium add-on service due to the time and management required.

- Service Fee: Flat add-on fee based on volume of items
- Commission Split: 60% client / 40% stylist
